

# Trinity's YarnWorks Ministry

Everyone is invited to become a part of Trinity's YarnWorks Ministry. Please join us and recruit your friends and neighbors! We *work at home* on our projects and meet quarterly to share ideas and make future plans. You can knit, crochet, or weave any of the items below. We have yarn available for your use in the closet in the Fellowship Hall, we are always grateful for donated yarn, too.

There are *no deadlines* and *no assignments* for projects. You can chose what you want to create and bring your items to church when you are finished. Give them to a YarnWorks member or put them in the closet in the Fellowship Hall.

We have patterns for your use, or you can use your own favorites. Most of the charities prefer acrylic items, since they are easily washable.

We knit, weave, or crochet such items as:

- scarves (about 6 by 60 inches)
- earwarmers
- cowls
- hats, any size from adult to newborn
- prayer/friendship shawls (about 15 by 60 inches)
- lapghans (small afghans about 35 by 42)
- slippers and socks, any size
- baby blankets (about 35 by 42 inches)
- regular afghans (about 45 by 60 inches)
- crosses for bookmarks (for baptismal gifts)

At our quarterly meetings we share patterns, techniques, and what we've been working on. We vote on the national or local charities to send our next mailings. All donated items get our gift tag: "Made with love by the members of the YarnWorks Ministry of Trinity Lutheran Church, LCMS, Athens, Georgia."

Pastors Heller and Shashana Reinking also let us know about members who would enjoy a greeting or get-well gift from the congregation. Please contact Linda Arp (706-224-0374) or Ruthann Rodekohr (770-296-5245) with any questions.
